AMENDMENT

OFFERED BY MR. UPTON OF MICHIGAN

In section 782, add at the end the following new subsection:

(s) REALLOCATION.—If the Administrator, in consultation with the Secretary of Labor, determines that the average national unemployment rate in the United States has risen above 10 percent, allocations for supplemental emissions reductions from international deforestation under section 781, for wildlife and natural resource adaptation under subsection (m) of this section, for international adaptation under subsection (n) of this section, and for international clean technology deployment under subsection (o) of this section, shall be reallocated for the climate change worker adjustment assistance program under part 2 of subtitle B of title IV of the American Clean Energy and Security Act of 2009.
