# AMENDMENT TO H.R. 1217

## OFFERED BY M__. _____

In section 1, add at the end the following:

(d) EFFECTIVE DATE.—Subsections (a) and (b) shall not take effect until the date that each of the following health objectives specified in Healthy People 2020 relating to female cancers has been met:

(1) The annual death rate among females from breast cancer is not greater than .02 percent.

(2) The annual death rate among females from uterine cervix cancer is not greater than 0.002 percent.

(3) The annual rate among females of new cases of invasive uterine cancer is not greater than 0.007 percent.

(4) The annual rate among females of new cases of late-stage breast cancer is not greater than .041 percent.
