**AMENDMENT**  
**OFFERED BY MR. SHADEGG OF ARIZONA**

[Page and line numbers refer to May 18 AINS.]

Beginning at page 555, line 22, strike subsection (d) and insert the following:

1       “(d) LOW INCOME CONSUMERS.—For each vintage  
2 year starting in 2012, the Administrator shall auction pur-  
3 suant to section 791 emission allowances established  
4 under section 721(a), with the proceeds used for the ben-  
5 efit of low income consumers to fund the program set forth  
6 in subtitle C of title IV of the American Clean Energy  
7 and Security Act of 2009, in the following amounts:

8               “(1) For vintage years 2012 through 2021,  
9       16.0 percent of the emission allowances established  
10       for each year under section 721(a).

11               “(2) For vintage years 2022 through 2026,  
12       17.0 percent of the emission allowances established  
13       for each year under section 721(a).

14               “(3) For vintage years 2027 through 2050,  
15       19.0 percent of the emission allowances established  
16       for each year under section 721(a).

Beginning on page 563, line 24, strike subsection (o) (relating to international clean technology deployment) (and make such conforming changes as may be necessary).

Strike subtitle D of title IV of the bill (relating to exporting clean technology) (and make such conforming changes as may be necessary).
