**ROGERS AMENDMENT #1**

**OFFERED BY MR. ROGERS OF MICHIGAN**

**[Amendment to HRDraft1]**

In section 3131, add at the end a new paragraph:

“(L) COMPARATIVE EFFECTIVENESS RESEARCH NOT TO BE USED FOR COVERAGE DETERMINATIONS OR REIMBURSEMENT LEVELS.—In no case may any comparative effectiveness research conducted, supported, or developed by the Task Force on Clinical Preventive Services or the Agency for Healthcare Research and Quality be taken into account in any coverage determination, used to evaluate any coverage requirements, or used to determine or evaluate reimbursement levels for any public or private insurer or provider.”
