

AMENDMENT

OFFERED BY MR. **RAVITCH**

H.R. 3258

Strike subparagraph (C) of section 1433(1)(2) of the  
Safe Drinking Water Act, as amended by section 2, and  
insert the following:

1                   “(B) PENALTIES.—Protected information,  
2                   as described in paragraph (7), shall not be  
3                   shared except in accordance with the standards  
4                   provided by the regulations under subparagraph  
5                   (A). Any person who knowingly and recklessly  
6                   publishes, divulges, discloses, or makes known  
7                   protected information in any manner or to any  
8                   extent not authorized by the standards set by  
9                   the Administrator under subparagraph (A) or  
10                  who attempts to so publish, divulge, disclose, or  
11                  make known such protected information shall  
12                  be subject to the same penalties applicable to a  
13                  person who tampers with a public water system  
14                  or attempts to tamper with a public water sys-  
15                  tem, respectively, under section 1432.
