1           “(1) a concise statement of the need for, and  
2           the objectives of, the final regulation;

3           “(2) a description of any alternatives to the  
4           final regulation which were considered by the Com-  
5           mission;

6           “(3) an analysis of the projected benefits and  
7           any adverse economic effects and any other effects  
8           of the final regulation;

9           “(4) an explanation of the reasons for the de-  
10          termination of the Commission that the final regula-  
11          tion will attain its objectives in a manner consistent  
12          with applicable law and the reasons the particular  
13          alternative was chosen; and

14          “(5) a summary of any significant issues raised  
15          by the comments submitted during the public com-  
16          ment period in response to the preliminary regu-

- 1 latory analysis, and a summary of the assessment by
- 2 the Commission of such issues.”.
