To: Shane, Barry
Subject: CA Resources

I just wanted to give you a heads up: I spoke at length with Bryan last night on a variety of topics, topics, one of which had to do with resources. Two things have changed since you procured the use of Ali's services through the end of the year:

- 1. Jim has asked Bryan to price 5-6 downgrade options to be made available in conjunction with the upcoming rate action.**

Thanks.
