Notes: Figures may not add due to rounding. USF is an abbreviation for the Universal Service Fund.

¹ Data are from USAC.

² Estimated contributions are preliminary and include administrative cost of approximately \$187 million, as shown in USAC's Annual Report.

Allocation of contributions among states is an FCC staff estimate.

³ Net dollar flow is positive when payments from USF to carriers exceed contributions to USF. Total is negative because of administrative expenses.

Notes: Figures may not add due to rounding. USF is an abbreviation for the Universal Service Fund.

¹ Data from USAC's Annual Report.

² Estimated contributions include administrative cost of approximately \$104 million, as shown in USAC's Annual Report.

Allocation of contributions among states is an FCC staff estimate.

³ Net dollar flow is positive when payments from USF to carriers exceed contributions to USF. Total is negative because of administrative expenses.
