

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H J RES 44, Making Further Continuing Appropriations for Fiscal Year 2011	Motion to Recommit, Keating	Failed, 176-249	Eliminates enhanced oil recovery tax credit, marginal well depletion tax deduction, and other oil industry tax credits and deductions
H.Con.Res. 34, Establishing the budget for the United State Government for fiscal year 2012	Final Passage, Ryan	Passed, 235-193	Drastically cuts funding for environmental protection programs at EPA, DOE, DOI, and other agencies and eliminates incentives for renewable energy
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	Final Passage, Rogers	Passed, 235-189	Blocks agency actions under the Clean Air Act, the Clean Water Act, and other laws and cuts funding for dozens of environmental protection programs at EPA, DOE, DOI, and other agencies.
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.101, Poe	Passed, 249-177	Blocks EPA greenhouse gas regulations for major emitters
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.119, Markey	Failed, 174-251	Eliminates a loophole in royalty payment requirements for offshore oil and gas drilling
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.121, McClintock	Passed, 215-210	Blocks the Klamath Dam Removal and Sedimentation Study necessary to protect endangered species
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.123, Herger	Passed, 227-197	Blocks Forest Service off-road vehicle management plans in national forests
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.124, Blumenauer	Failed, 185-241	Limits environmentally damaging agricultural subsidies
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.131, Johnson	Passed, 239-186	Blocks Office of Surface Mining rules to protect streams from surface coal mining
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.136, Goodlatte	Passed, 230-195	Blocks funds for the development of maximum contaminant load levels for the Chesapeake Bay
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.143, Rooney	Passed, 237-189	Blocks new EPA water quality standards for Florida waterways
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.148, Hall	Passed, 233-187	Prevents NOAA from establishing a Climate Service
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.151, Griffith	Passed, 235-185	Blocks EPA, Corps of Engineers, and Office of Surface Water Reclamation and Enforcement actions that protect navigable waters from mountaintop-removal coal mining
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.154, Luetkemeyer	Passed, 244-179	Blocks the United States from contributing funds to the Intergovernmental Panel on Climate Change
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.157, McKinley	Passed, 240-182	Blocks EPA from revoking Clean Water Act permits based on adverse effects on water, fish, and wildlife
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.158, McKinley	Passed, 239-183	Blocks EPA authority to regulate coal ash under Subtitle C of the Resource Conservation and Recovery Act
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.164, Noem	Passed, 255-168	Blocks EPA authority to revise particulate matter standards under the Clean Air Act
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.32, Inslee	Failed, 159-273	Transfers funds from fossil energy research to clean energy research through Advanced Research Projects Agency–Energy (ARPA-E)
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.35, Tonko	Failed, 208-223	Restores funds for the DOE Weatherization Assistance Program
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.47, Pompeo	Passed, 239-185	Eliminates funding for EPA's greenhouse gas registry
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.85, Lummis	Passed, 232-197	Blocks citizens who successfully challenge federal action from recovering their legal fees

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.88, Carter	Passed, 250-177	Blocks EPA regulation of mercury and other hazardous air pollutants from cement production
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.89, Scalise	Passed, 249-179	Eliminates funding for State Department climate envoy
H.R. 1, FY 2011 Full Year Continuing Appropriations Bill	H.Amdt.96, Young	Passed, 243-185	Blocks the EPA Environmental Appeals Board from reviewing drilling permits for offshore drilling in the Arctic
H.R. 10, Regulations from the Executive in Need of Scrutiny	Final Passage, Davis	Passed, 241-184	Blocks any major rule that does not receive approval from both houses of Congress within 70 legislative days
H.R. 10, Regulations from the Executive in Need of Scrutiny	H.Amdt.898, McCarthy	Failed, 177-246	Exempts rules relating to food safety, workplace safety, air quality, consumer product safety, and water quality
H.R. 1229, Putting the Gulf Back to Work	Final Passage, Hastings	Passed, 263-163	Limits the DOI review period for offshore drilling permits and deems permits automatically approved if not acted on within 30 days
H.R. 1229, Putting the Gulf Back to Work	H.Amdt.270, Polis	Failed, 167-245	Requires DOI to consider all applicable safety and environmental laws when approving offshore oil and gas activities
H.R. 1229, Putting the Gulf Back to Work	H.Amdt.271, Garamendi	Failed, 169-240	Requires DOI consultation with an independent drilling safety organization not affiliated with the American Petroleum Institute
H.R. 1229, Putting the Gulf Back to Work	H.Amdt.272, Markey	Failed, 176-237	Sets minimum standards for blowout preventers in offshore oil and gas activities
H.R. 1229, Putting the Gulf Back to Work	H.Amdt.273, Hanabusa	Failed, 187-235	Requires oil companies to certify they have the capability to respond to a worst-case oil spill
H.R. 1229, Putting the Gulf Back to Work	H.Amdt.274, Holt	Failed, 179-247	Blocks automatic DOI approval of offshore oil and gas permits if the review period expires before the agency takes action
H.R. 1229, Putting the Gulf Back to Work	H.Amdt.275, Polis	Failed, 174-254	Lifts restrictive deadlines for DOI action on offshore oil and gas activities if the agency lacks adequate budget or staff
H.R. 1229, Putting the Gulf Back to Work	H.Amdt.279, Hastings	Failed, 185-239	Preserves the ability of citizens who successfully challenge offshore drilling permits to recover their legal fees
H.R. 1229, Putting the Gulf Back to Work	Motion to Recommit, Connolly	Failed, 186-239	Blocks DOI offshore leases until the prospective leaseholders have paid all penalties from previous leases
H.R. 1230, Restarting American Offshore Leasing Now	Final Passage, Hastings	Passed, 266-149	Requires issuance of DOI offshore oil and gas leases in the Gulf of Mexico and off the Virginia coast and blocks the requirements of the National Environmental Policy Act relating to the leases
H.R. 1230, Restarting American Offshore Leasing Now	H.Amdt.268, Holt	Failed, 174-240	Requires new environmental analysis for offshore drilling applications
H.R. 1231, Reversing President Obama's Offshore Moratorium	Final Passage, Hastings	Passed, 243-179	Requires issuance of DOI offshore oil and gas leases on the East and West Coasts
H.R. 1231, Reversing President Obama's Offshore Moratorium	H.Amdt.282, Markey	Failed, 189-238	Blocks new offshore oil and gas leases for companies that have not yet renegotiated any royalty free leases they already own
H.R. 1231, Reversing President Obama's Offshore Moratorium	H.Amdt.284, Tsongas	Failed, 195-223	Requires development and submission of worst-case scenario oil spill containment and clean up plans
H.R. 1231, Reversing President Obama's Offshore Moratorium	H.Amdt.285, Brown(FL)	Failed, 134-279	Makes the current DOI ban on drilling in the eastern Gulf of Mexico permanent

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 1231, Reversing President Obama's Offshore Moratorium	H.Amdt.286, Thompson (CA)	Failed, 156-263	Prohibits the issuance of leases for drilling off the coast of Northern California
H.R. 1231, Reversing President Obama's Offshore Moratorium	H.Amdt.287, Inslee	Failed, 160-256	Requires approval by the state of Washington for any lease off the coast of Washington
H.R. 1255, Government Shutdown Prevention Act	Final Passage, Womack	Passed, 221-202	Provides for H.R. 1 to take effect by operation of law, thereby blocking agency actions under the Clean Air Act, the Clean Water Act, and other laws and cutting funding for dozens of environmental protection programs at EPA, DOE, DOI, and other agencies
H.R. 1633, Farm Dust Regulation Prevention Act	Final Passage, Noem	Passed, 268-150	Blocks action under the Clean Air Act to address the risks of particulate matter from most sources
H.R. 1633, Farm Dust Regulation Prevention Act	H.Amdt.901, Rush	Failed, 150-255	Removes Clean Air Act exemption for particulate pollution from mines, smelters, cement kilns, and other industrial sources
H.R. 1633, Farm Dust Regulation Prevention Act	H.Amdt.902, Christensen	Failed, 159-250	Restores EPA authority to reduce particulate pollution if state and local laws are inadequate to protect public health
H.R. 1633, Farm Dust Regulation Prevention Act	H.Amdt.904, Markey	Failed, 165-249	Removes Clean Air Act exemption for particulate pollution containing arsenic or other heavy metals
H.R. 1633, Farm Dust Regulation Prevention Act	H.Amdt.905, Waxman	Failed, 158-257	Removes Clean Air Act exemption for particulate pollution from mining
H.R. 1633, Farm Dust Regulation Prevention Act	MTR, DeGette	Failed, 166-252	Preserves EPA authority to issue and enforce Clean Air Act regulations for particulate emissions of cadmium, lead, and asbestos
H.R. 1904, Southeast Arizona Land Exchange and Conservation Act	Final Passage, Gosar	Passed, 235-186	Transfers public lands with significant cultural, historical, archeological and recreational value to private ownership for mineral mining; waives NEPA requirements for environmental impact analysis of the transfer and mining activity
H.R. 1904, Southeast Arizona Land Exchange and Conservation Act	H.Amdt.844, Markey	Failed, 173-238	Requires payment of royalties for copper extracted from federal lands
H.R. 1938, North American-Made Energy Security Act	Final Passage, Terry	Passed, 279-147	Abbreviates the review process for approval of the Keystone XL pipeline to limit public participation and interagency review; contains congressional findings that misstate the environmental effects of the pipeline
H.R. 1938, North American-Made Energy Security Act	H.Amdt.720, Welch	Failed, 164-260	Recognizes that the proposed Keystone XL pipeline would run through the Ogallala Aquifer and could threaten groundwater and drinking water
H.R. 1938, North American-Made Energy Security Act	H.Amdt.721, Rush	Failed, 164-261	Strikes an erroneous statement that the EPA has found the Keystone XL pipeline will not significantly impact greenhouse gas emissions
H.R. 1938, North American-Made Energy Security Act	H.Amdt.722, Eshoo	Failed, 163-264	Requires a review of current pipeline regulations to determine whether they are sufficient to address the properties of tar sands crude oil before a final order on the pipeline is issued
H.R. 1938, North American-Made Energy Security Act	H.Amdt.723, Christensen	Failed, voice-voice	Recognizes that EPA estimates the Keystone XL pipeline will significantly increase carbon pollution from fuel use in the United States
H.R. 1938, North American-Made Energy Security Act	H.Amdt.724, Cohen	Failed, 155-272	States that the existing Keystone pipeline has spilled 12 times in the United States and 21 times in Canada in less than one year

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 1938, North American-Made Energy Security Act	H.Amdt.726, Rush	Failed, 161-265	Retains the current schedule for issuance of the Keystone XL pipeline permit to allow for adequate public participation
H.R. 1938, North American-Made Energy Security Act	H.Amdt.727, Hanabusa	Failed, 168-260	Requires the developers of the Keystone XL pipeline to demonstrate the capability and technology to respond to a worst-case pipeline spill before issuance of a permit
H.R. 1938, North American-Made Energy Security Act	H.Amdt.728, Johnson (GA)	Failed, 163-263	Requires a study of the health impacts of air pollution from refineries served by the Keystone XL pipeline
H.R. 2017, Department of Homeland Security Appropriations Act	H.Amdt.376, Lummis	Passed, 238-177	Eliminates funding for environmental mitigation along the southern United States border
H.R. 2017, Department of Homeland Security Appropriations Act	H.Amdt.378, Carter	Passed, 242-180	Prohibits use of funds for DHS's Climate Change Adaptation Task Force
H.R. 2018, Clean Water Cooperative Federalism Act of 2011	Final Passage, Mica	Passed, 239-184	Undermines the Clean Water Act by limiting EPA authority to establish water quality standards for chemicals and other pollutants that harm human health and the environment
H.R. 2018, Clean Water Cooperative Federalism Act of 2011	H. Amdt.628, Jackson-Lee	Failed, 167-254	Strikes provisions repealing EPA authority to establish Clean Water Act standards
H.R. 2018, Clean Water Cooperative Federalism Act of 2011	H. Amdt.629, Jackson-Lee	Failed, 170-252	Allows the EPA to set pollutant discharge standards
H.R. 2018, Clean Water Cooperative Federalism Act of 2011	H. Amdt.630, Moore-Capito	Passed, 268-152	Requires the EPA to analyze the impact of required environmental actions on employment levels and provide public notice and a hearing where impacts on employment or economic activity are found
H.R. 2018, Clean Water Cooperative Federalism Act of 2011	H. Amdt.632, Polis	Failed, 191-231	Exempts from the bill permit holders who are significant non-compliers
H.R. 2018, Clean Water Cooperative Federalism Act of 2011	H. Amdt.633, Connolly	Failed, 181-240	Exempts water bodies that receive federal funds for restoration projects from the limiting provisions in the bill
H.R. 2018, Clean Water Cooperative Federalism Act of 2011	H. Amdt.635, Blumenauer	Failed, 183-237	Exempts from the bill waterways that provide flood protection, are valuable fish and wildlife habitat, or are coastal recreation areas
H.R. 2018, Clean Water Cooperative Federalism Act of 2011	H. Amdt.636, Carnahan	Failed, 173-247	Restricts the application of the bill in areas declared major disasters due to flooding
H.R. 2018, Clean Water Cooperative Federalism Act of 2011	Motion to Recommit, McNerney	Failed, 188-238	Preserves EPA authority to set water pollution standards and review permits when pollutants are being discharged into waters that are sources of public drinking water
H.R. 2021, Jobs and Energy Permitting Act of 2011	Final Passage, Gardner	Passed, 253-166	Weakens Clean Air Act protections affecting offshore drilling
H.R. 2021, Jobs and Energy Permitting Act of 2011	H. Amdt.481, Speier	Failed, 176-248	Requires air emissions to be measured at the site of offshore drilling rather than onshore
H.R. 2021, Jobs and Energy Permitting Act of 2011	H. Amdt.482, Hastings	Failed, 167-254	Grants EPA authority to regulate emissions of offshore drilling support vessels
H.R. 2021, Jobs and Energy Permitting Act of 2011	H. Amdt.485, Rush	Failed, 172-253	Extends the deadlines for EPA actions related to drilling permits
H.R. 2021, Jobs and Energy Permitting Act of 2011	H. Amdt.486, Quigley	Failed, 173-251	Strikes a provision limiting the authority of the EPA Environmental Appeals Board over Clean Air Act permits for offshore drilling

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 2021, Jobs and Energy Permitting Act of 2011	H. Amdt.488, Capps	Failed, 180-242	Allows states to set more protective air quality protections for offshore drilling
H.R. 2021, Jobs and Energy Permitting Act of 2011	H. Amdt.490, Schrader	Failed, 160-262	Re-establishes the moratorium on the issuance of permits for oil and natural gas drilling off the coast of Oregon
H.R. 2112, Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act	H. Amdt.467, Scalise	Passed, 238-179	Blocks the USDA's policy on climate change adaptation
H.R. 2112, Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act	H. Amdt.477, Flores	Passed, voice-voice	Blocks enforcement of Energy Independence and Security Act provisions that prohibit procurement of alternative fuels that have higher lifecycle greenhouse gas emissions than conventional fuel
H.R. 2250, EPA Regulatory Relief Act	Final Passage, Griffith	Passed, 275-142	Nullifies EPA rules that require industrial boilers and incinerators to reduce emissions of toxic air pollutants; threatens EPA's ability to issue replacement standards; and delays reductions in toxic air pollution from these sources until 2018 at the earliest
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.820, Waxman	Failed, 167-243	Provides that EPA shall not delay actions to reduce emissions from waste incinerators or industrial boilers at chemical facilities, oil refineries, or large manufacturing facilities if such emissions are harming brain development or causing learning disabilities in infants or children
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.821, Rush	Failed, 156-242	Provides that the bill shall not be interpreted to supersede the requirements of sections 112 or 129 of the Clean Air Act, which require reductions in toxic emissions from industrial boilers and incinerators.
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.822, Hahn	Failed, 151-255	Provides that EPA's regulations reducing toxic emissions shall stay in effect for any pollution source located in any of the 10 metropolitan areas of the U.S. with the worst air quality
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.824, Doyle	Failed, 147-251	Replaces the indefinite extension of compliance dates in the bill with a provision allowing EPA to provide an additional year for compliance if the source can demonstrate a compelling reason
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.826, Connolly	Failed, 168-250	Provides that EPA shall not delay actions to reduce emissions from waste incinerators and boilers if such emissions are increasing the risk of respiratory and cardiovascular disease
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.827, Markey	Failed, 166-252	Provides that EPA shall not delay actions to reduce emissions from waste incinerators and boilers if such emissions are increasing the risk of cancer
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.829, Schakowsky	Failed, 169-249	Adds finding that mercury is a potent neurotoxin that can damage brain development in infants
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.830, Ellison	Failed, 154-261	Provides that EPA can take actions to reduce emissions from waste incinerators and boilers earlier than allowed under the bill
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.831, Welch	Failed, 169-249	Adds finding that the American people are exposed to mercury through fish consumption

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 2250, EPA Regulatory Relief Act	H.Amdt.832, Jackson-Lee	Failed, 156-262	Provides that EPA shall not delay actions to reduce emissions from waste incinerators and boilers longer than 3 years
H.R. 2250, EPA Regulatory Relief Act	MTR, Castor	Failed, 170-246	Provides that EPA shall not delay action to reduce air pollution from waste incinerators that are within five miles of any school, day care center, playground, or hospital with a maternity ward or neo-natal unit
H.R. 2273, Coal Residuals Reuse and Management Act	Final Passage, McKinley	Passed, 267-144	Bars EPA from regulating coal ash as a hazardous waste, limits EPA's authority to regulate coal ash a solid waste, and requires EPA to defer to state coal ash disposal programs
H.R. 2273, Coal Residuals Reuse and Management Act	H.Amdt.838, Waxman	Failed, 171-236	Requires state programs to ensure that human health and the environment are protected
H.R. 2273, Coal Residuals Reuse and Management Act	H.Amdt.839, Markey	Failed, 173-231	Requires wet impoundments to meet minimum requirements for location and design to ensure safety
H.R. 2273, Coal Residuals Reuse and Management Act	H.Amdt.840, Markey	Failed, 185-223	Requires public notice and opportunity to comment before a state may waive any of the minimum criteria in the bill
H.R. 2273, Coal Residuals Reuse and Management Act	H.Amdt.841, Rush	Failed, 164-241	Allows EPA to enforce the requirements of a state permit programs if the state fails to do so
H.R. 2273, Coal Residuals Reuse and Management Act	H.Amdt.842, Jackson-Lee	Failed, 174-235	Requires a report to Congress on the human health and environmental impacts of state permit programs for coal ash
H.R. 2273, Coal Residuals Reuse and Management Act	MTR, Cicilline	Failed, 172-238	Requires high-hazard wet impoundments, the mismanagement or failure of which will probably cause the loss of human life, to implement a warning system to alert first responders and residents of hazardous conditions
H.R. 2354, Energy and Water Development Appropriations	Final Passage, Frellinghuysen	Passed, 219-196	Blocks agency actions or eliminates funding involving dozens of clean energy and efficiency initiatives, including reducing funding for by \$97 million for solar power, \$46 million for clean energy vehicles, \$61 million for green buildings, \$141 million for building weatherization, and \$80 million for advanced energy research.
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.591, Moran (VA)	Failed, 170-250	Preserves EPA authority to use funds to change the definition of waters under the Clean Water Act
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.595, Kaptur	Failed, voice-voice	Transfers funds to restore some funding for energy efficiency and renewable energy projects
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.597, Markey	Failed, 154-266	Restores some funding for energy efficiency and renewable energy projects
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.599, Connolly	Failed, 173-249	Restores some funding for energy efficiency and renewable energy projects
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.600, Harris	Passed, voice-voice	Reduces funds for cooperative efforts with other nations to promote energy efficiency
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.601, Miller (NC)	Failed, 179-244	Restores some funding for energy efficiency and renewable energy projects
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.603, Welch	Failed, 123-300	Restores some funding for energy efficiency and renewable energy projects
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.605, Tonko	Failed, 149-273	Restores some funding for energy efficiency and renewable energy projects

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.607, Wu	Failed, 196-228	Restores some funding for energy efficiency and renewable energy projects
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.608, Woodall	Passed, voice-voice	Reduces funding for energy efficiency and renewable energy projects
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.612, Garamendi	Failed, 145-276	Restores funding for Advanced Research Projects Agency - Energy
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.639, Matheson	Failed, 168-257	Restores funding for DOE environmental cleanups and reduces funding for weapons activities
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.641, Holt	Failed, 164-261	Restores some funding for DOE science activities and reduces funding for weapons activities
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.649, Shimkus	Passed, 297-130	Provides funds for the NRC to process the withdrawn Yucca Mountain license application
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.654, Cohen	Failed, 158-264	Cuts funding for DOE fossil energy research
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.657, Hastings	Passed, voice-voice	Blocks implementation and enforcement of a shoreline management plan developed to protect salmon
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.661, Hastings	Passed, voice-voice	Blocks the use of funds to remediate damage associated with removal of a hydroelectric dam
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.664, Capps	Failed, 152-269	Halts part of the NRC relicensing process for the Diablo Canyon nuclear power plant
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.670, Flores	Passed, voice-voice	Blocks enforcement of Energy Independence and Security Act provisions that prohibit procurement of alternative fuels that have higher lifecycle greenhouse gas emissions than conventional fuel
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.671, Young	Passed, voice-voice	Blocks implementation of the weatherization provisions of the Recovery Act, which made weatherization assistance more accessible
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.675, Harris	Passed, 236-185	Bans the use of energy efficiency and renewable energy funds for any international program
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.677, Luetkemeyer	Passed, voice-voice	Blocks the Army Corps of Engineers from conducting a study required by statute as part of the Missouri River Recovery Program
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.678, Burgess	Passed, voice-voice	Blocks enforcement of industry-supported light bulb efficiency standards
H.R. 2354, Energy and Water Development Appropriations	H. Amdt.684, Sherman	Passed, voice-voice	Bans the use of energy efficiency and renewable funds for any project in China
H.R. 2354, Energy and Water Development Appropriations	H.Amdt.666, Denham	Passed, voice-voice	Eliminates funding for restoration and salmon repopulation in the San Joaquin River
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	Final Passage, Whitfield	Passed, 249-169	Delays environmental rules pending completion of a study of their cumulative impacts and changes the factors that must be considered in setting Clean Air Act standards
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	H.Amdt.790, Welch	Failed, 173-236	Provides that EPA regulations are reviewed by an interagency committee with balanced membership that considers the benefits to public health of EPA rules
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	H.Amdt.791, McNerney	Failed, 184-229	Requires the interagency committee to examine the impact of EPA regulations on clean energy jobs and clean energy companies
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	H.Amdt.793, Capps	Failed, 195-221	Requires an analysis of birth and developmental defects and infant mortality caused by pollution exposure resulting from delay of EPA regulations

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	H.Amdt.796, Hastings	Failed, 165-254	Excludes all rules that have undergone a cost-benefit analysis from duplicative analysis
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	H.Amdt.797, Connolly	Failed, 186-232	Requires the interagency committee to study policies that will lead to creation of jobs in the clean energy sector
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	H.Amdt.799, Whitfield	Passed, 234-188	Nullifies the "Utility MACT" and "Cross-State Air Pollution" rules, which reduce soot, smog, mercury and toxic air pollution from power plants
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	H.Amdt.800, Latta	Passed, 227-192	Reverses 40 years of clean air policy, by requiring EPA to determine what level of air pollution is "safe" based upon industry costs
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	H.Amdt.801, Richardson	Failed, 181-237	Restores authorization for funding for the Diesel Emission Reduction Act
H.R. 2401, Transparency in Regulatory Analysis of Impacts on the Nation	MTR, McCollum	Failed, 180-233	Requires EPA to develop and implement a strategic plan to protect the Great Lakes from toxic air pollution
H.R. 2551, Legislative Branch Appropriations Act	H. Amdt.712, Moran (VA)	Failed, 179-234	Bars the use of funds by the legislative branch for polystyrene containers, such as Styrofoam brand containers
H.R. 2584, Interior and Environment Appropriations	H.Amdt.714, Moran (VA)	Failed, 175-237	Restores funding for the Indian Health Service sanitation facilities construction program, and reduces funding for BLM oil and gas and grazing management programs
H.R. 2584, Interior and Environment Appropriations	H.Amdt.716, Cleaver	Failed, 165-248	Restores some funds for EPA environmental programs
H.R. 2584, Interior and Environment Appropriations	H.Amdt.718, Richmond	Failed, voice-voice	Restores funding for DOI wetlands conservation
H.R. 2584, Interior and Environment Appropriations	H.Amdt.719, Hochul	Failed, 141-271	Reduces funding for DOI processing of drilling permits
H.R. 2584, Interior and Environment Appropriations	H.Amdt.734, Tipton	Passed, voice-voice	Reduces funds for EPA environmental programs
H.R. 2584, Interior and Environment Appropriations	H.Amdt.743, Dold	Failed, 137-291	Restores some funding for EPA geographic programs, including the Great Lakes Restoration Initiative
H.R. 2584, Interior and Environment Appropriations	H.Amdt.745, Scalise	Passed, 215-213	Cuts budget of Secretary of Interior as a rebuke for alleged slow pace of off-shore drilling permit approvals
H.R. 2584, Interior and Environment Appropriations	H.Amdt.749, Dicks	Failed, voice-voice	Strikes a rider limiting judicial review of BLM land use decisions
H.R. 2584, Interior and Environment Appropriations	H.Amdt.750, Dicks	Failed, 174-250	Strikes a rider blocking judicial review of any rule delisting gray wolves in Wyoming or the Western Great Lakes
H.R. 2584, Interior and Environment Appropriations	H.Amdt.751, Dicks	Failed, voice-voice	Strikes a rider exempting certain livestock management activities from NEPA
H.R. 2584, Interior and Environment Appropriations	H.Amdt.753, Moran (VA)	Failed, voice-voice	Strikes a rider blocking funds for DOI Wildlands policy
H.R. 2584, Interior and Environment Appropriations	H.Amdt.757, Pompeo	Passed, 235-191	Reduces funds for EPA environmental programs, and cuts funding for EPA's greenhouse gas registry by half
H.R. 2584, Interior and Environment Appropriations	H.Amdt.758, Richardson	Failed, 193-232	Restores some funding for EPA diesel emissions reduction grants

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 2584, Interior and Environment Appropriations	H.Amdt.760, Richardson	Failed, 168-258	Restores some funding for EPA clean air grants to state and local air pollution control agencies
H.R. 2594, European Union Emissions Trading Scheme Prohibition Act	Final Passage, Mica	Passed, voice-voice	Prohibits U.S. airlines from complying with the European Union's requirements to address carbon pollution
H.R. 2608, Continuing Appropriations Act	Final Passage, Graves	Passed, 219-203	Cuts DOE funding for making loans to support the manufacture of cleaner vehicles and issuing renewable energy loan guarantees
H.R. 2681, Cement Sector Regulatory Relief Act	Final Passage, Sullivan	Passed, 262-161	Nullifies EPA rules that require cement kilns to reduce their emissions of toxic air pollutants; threatens EPA's ability to issue replacement standards; and delays reductions in toxic air pollution from cement kilns until 2018 at the earliest
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.802, Waxman	Failed, 166-246	Provides that EPA shall not delay actions to reduce emissions from any cement kiln if such emissions are harming brain development or causing learning disabilities in infants or children
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.803, Rush	Failed, 162-251	Provides that the bill shall not be interpreted to supersede the requirements of section 112 of the Clean Air Act, which requires reductions of toxic emissions from cement kilns
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.805, Schakowsky	Failed, 175-248	Adds finding that mercury is a potent neurotoxin that can damage brain development in infants
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.808, Pallone	Failed, 166-253	Provides that the bill shall not go into effect if it interferes with the goal of reducing mercury exposure in the HHS report "Healthy People 2020"
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.809, Jackson-Lee	Failed, 162-262	Requires compliance no later than three years after a final rule is promulgated
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.810, Quigley	Failed, 175-248	Provides that EPA shall not delay actions to reduce emissions from any cement kiln if such emissions are increasing the risk of cancer
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.811, Connolly	Failed, 176-248	Provides that EPA shall not delay actions to reduce emissions from any cement kiln if such emissions are causing respiratory and cardiovascular illnesses and deaths
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.812, Welch	Failed, 174-249	Adds findings that people are exposed to mercury from industrial sources through the consumption of fish containing mercury and that every state has issued at least one mercury advisory for fish consumption.
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.813, Moore	Failed, 167-256	Provides that the bill does not go into effect unless the President certifies that implementation will not adversely affect public health and will not have a disproportionately negative impact on subpopulations most at risk from hazardous air pollutants

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.814, Ellison	Failed, 170-252	Requires EPA to publish the estimated public health impacts of delaying the rules as required by the Act
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.815, Cohen	Failed, 172-248	Requires EPA to take into account reductions in absences from work due to respiratory illnesses when proposing a new compliance date
H.R. 2681, Cement Sector Regulatory Relief Act	H.Amdt.816, Keating	Failed, 162-257	Replaces the indefinite extension of compliance dates in the bill with a provision allowing EPA to provide an additional year for compliance if the source can demonstrate a compelling reason
H.R. 2681, Cement Sector Regulatory Relief Act	MTR, Capps	Failed, 176-247	Provides that EPA shall not delay action to reduce air pollution from cement kilns that are within five miles of any school, day care center, playground, or hospital with a maternity ward or neo-natal unit
H.R. 2838, Coast Guard and Maritime Transportation Act	final passage, LoBiondo	Passed, voice-voice	Blocks state action to address threats from invasive species by regulating discharge of ballast water; restricts EPA's ability to limit discharge of coal ash from vessels into the Great Lakes
H.R. 2838, Coast Guard and Maritime Transportation Act	H.Amdt.861, Bishop	failed, 174-225	Allows states to set more protective requirements for ballast water discharges in their state resource waters
H.R. 2838, Coast Guard and Maritime Transportation Act	H.Amdt.862, Slaughter	Failed, 161-237	Strikes a rider that preempts state action to prevent the spread of invasive species by regulating the discharge of ballast water
H.R. 2838, Coast Guard and Maritime Transportation Act	H.Amdt.863, Huizenga	Passed, voice-voice	Blocks EPA from revising permits for a vessel that currently discharges coal ash into the Great Lakes
H.R. 3010, Regulatory Accountability Act	Final Passage, Smith	Passed, 253-167	Imposes significant new hurdles to regulation and replaces protective standards in the Clean Air Act, Clean Water Act, and other statutes with a requirement to adopt the least costly alternative
H.R. 3010, Regulatory Accountability Act	H.Amdt.888, Moore	Failed, 187-232	Requires agencies to take effects on vulnerable subpopulations into account
H.R. 3010, Regulatory Accountability Act	H.Amdt.891, Connolly	Failed, 171-242	Clarifies that regulation to protect public health and safety would not be blocked or repealed
H.R. 3010, Regulatory Accountability Act	H.Amdt.892, Nadler	Failed, 174-247	Exempts actions taken by the Nuclear Regulatory Commission under the Atomic Energy Act
H.R. 3630, Middle Class Tax Relief and Job Creation Act	Final Passage, Camp	Passed, 234-193	Nullifies EPA rules that require industrial boilers and incinerators to reduce emissions of toxic air pollutants; forces approval of the Keystone XL Pipeline and blocks environmental review of any route changes
H.R. 527, The Regulatory Flexibility Improvements Act	Final Passage, Smith	Passed, 263-159	Expands the authority of the Small Business Administration in rulemakings and adjudications by other agencies and expands analysis requirements to rules and guidance with only indirect potential economic effects on small businesses
H.R. 527, The Regulatory Flexibility Improvements Act	H.Amdt.884, Cohen	Failed, 171-248	Exempts rules relating to food safety, workplace safety, air quality, consumer product safety, and water quality
H.R. 872, Reducing Regulatory Burdens Act of 2011	Final Passage, Gibbs	Passed, 292-130	Blocks EPA from requiring a Clean Water Act permit for pesticides sprayed into navigable waters
H.R. 910, Energy Tax Prevention Act of 2011	Final Passage, Upton	Passed, 255-172	Repeals EPA authority to regulate greenhouse gases

Anti-Environmental Votes in the 112th Congress, 1st Session

Bill Title	Number, Member	Result	Description
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt. 251, Kind	Failed, 160-264	Strikes the text of the bill, which repeals EPA's existing authority to address carbon pollution, and replaces it with a codification of EPA's "tailoring rule," which exempts small sources from greenhouse gas permitting requirements
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt.240, Jackson-Lee	Failed, 161-259	Requires a study of the impacts of blocking EPA authority to regulate greenhouse gases
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt.241, Jackson-Lee	Failed, 157-266	Provides considerations and procedures to guide EPA's greenhouse gas regulations
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt.243, Cuellar	Failed, voice-voice	Preserves existing EPA scientific findings and rules related to greenhouse gases
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt.244, Murphy (CT)	Failed, 182-240	Preserves EPA authority to provide technical assistance to state greenhouse gas programs
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt.245, Waxman	Failed, 184-240	States that Congress accepts EPA's findings that climate change is occurring, is caused largely by human activities, and poses significant risks for public health and welfare
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt.246, Quigley	Failed, voice-voice	Requires a GAO study of health care costs resulting from repeal of EPA authority to regulate greenhouse gases
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt.247, Polis	Failed, 168-257	Ensures that EPA can protect the public health of the American people from global climate change
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt.248, Markey	Failed, 156-266	Exempts EPA actions that reduce the demand for oil from the limitations in the bill
H.R. 910, Energy Tax Prevention Act of 2011	H.Amdt.249, Rush	Failed, 165-260	Preserves greenhouse gas regulations until EPA and DOD determine that American security interests will not be jeopardized by their repeal
H.R. 910, Energy Tax Prevention Act of 2011	Motion to Recommit, McNerny	Failed, 175-251	Recommits with instructions to remove limitations on EPA authority to protect children, seniors, and those with asthma from lung disease
