

**AMENDMENT IN THE NATURE OF A SUBSTITUTE
TO H. J. RES. 37
OFFERED BY MR. RUSH OF ILLINOIS**

Strike all after the resolving clause and insert the following: “That, if the Federal Communications Commission determines that broadband Internet access service with a minimum download speed of 3 megabits per second and a minimum upload speed of 768 kilobits per second is provided in an applicable service area by fewer than 10 providers, the Commission shall modify its Report and Order relating to the matter of preserving the open Internet and broadband industry practices (FCC 10-201, adopted by the Commission on December 21, 2010) to extend the requirements of such Report and Order that apply to providers of fixed broadband Internet access service so that such requirements also apply to providers of mobile broadband Internet access service that provide such service in such area. For purposes of the preceding sentence, a single entity that provides multiple types of broadband Internet access service shall be considered a single provider, and a provider and any of its affiliates (as defined in section 3 of the Communica-

tions Act of 1934 (47 U.S.C. 153)) that also provide such service shall be considered a single provider.”.

Amend the title so as to read: “Joint resolution directing the Federal Communications Commission to extend the open Internet requirements applicable to providers of fixed broadband Internet access service so that such requirements also apply to providers of mobile broadband Internet access service in underserved areas.”.
